

These are the names of actual children who were victims of the Nazi genocide during the Holocaust. They were deported from France to Nazi death camps and were put to death. These children are chronicled in a book titled French Children of the Holocaust A Memorial by Serge Klarfeld. The author reflects in his preface.....

“ More than 50 years have passed since the murders of these beautiful children-for they are all beautiful in my eyes-who once played in the streets of Paris, Marseilles, Lyons Nice, and other French cities and villages you may know. ... This book is born of my obsession to be sure that these children will not be forgotten.”
