The newly enhanced LexisNexis® Academic

The latest version of LexisNexis *Academic* unveils enhancements – driven by student user testing – designed to make it even easier to use:

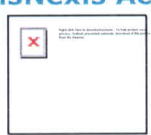

- Redesigned Easy Search form is the default home page
- Six widgets to help students conduct basic research tasks
- Additional content added for an Environmental Studies search form
- Navigation presents all options in a single menu

The result? Quicker access to the most commonly used content.
Now that will be music to your students' ears!
