Hi Sameer,

Received your message, thank you for returning my call.

There are registration tables outside of the banquet room S-106/107. Feel free to pull that table outside of the S-building for your use. If that doesn't work for you, you may use a table from the cafeteria as well, just please replace it at the end of the day.

Looks like we are all set! Good luck to you!

Thanks,

Tami
