Hi,

Hi,

Sameer did contact me asking for a projector. I need to know which room he needs the projector, I am awaiting a response from him, do you know?

Pizza sounds great! Just bring plates, napkins and utensils, as the cafeteria will be closed. Trash cans will be available in the banquet room for your use.

Unfortunately, access to a copier will be unavailable. Sorry for the inconvenience.

Thank you for touching base. Have a wonderful event!

Tamara,

Thank you for all your help!

We decided to go the pizza route, finding it not expensive and adequate for our needs.

As far as technology, unless Mr Shuluck or Ludvigsen require anything we don't need anything more than access to a photocopy machine.

Thanks again!

Hi Sameer,

Just need to touch base with you before Saturday to confirm final details. I need to know what your technology needs will be throughout the day. Please let me know as soon as possible, I need to place a request for I.T. support if you need it.

Our catering department states that you have not made arrangements for food through them. Therefore, they will not be on the premises on Saturday. The cafeteria will be closed and no food will be available on that day.

Edison representatives Bill Shuluck and Chris Ludvigsen will be on campus Saturday.

Looking forward to hearing from you soon. Have a wonderful and successful event!

Thank you,

Tami Holliday
