The RESULTS SECTION is to be filled out at the end of the planning year.

In your discussion of measurable outcomes for this plan, describe to what extent each anticipated outcome was achieved (completely, partly, or not at all).

Results for Measureable Outcome 1	Thirteen instructional sessions requested and completed for academic year ending summer 2006.
Results for Measureable Outcome 2	A separate section of LIS 1004 (2004) has not been required. H/G students may enroll in any section due to online nature of course.
Results for Measureable Outcome 3	

USE OF RESULTS

Indicate which parts of the plan (if any) will be carried into the next cycle and how the results of this plan have changed planning for the next cycle in your unit or other college units.

The entire plan is ongoing for the Hendry-Glades site. It anticipated that H/G will continue to require addition LR services. The need for a third Librarian will impact the LR's ability to provide off campus services, thus built into long range planning.
