The **RESULTS SECTION** is to be filled out at the end of the planning year.

In your discussion of measurable outcomes for this plan, describe to what extent each anticipated outcome was achieved (completely, partly, or not at all).

Results for Measureable Outcome 1	No plan has been developed.
Results for Measureable Outcome 2	No plan has been developed
Results for Measureable Outcome 3	LR staff report no complaints from FGCU faculty nor students.

**USE OF RESULTS**

Indicate which parts of the plan (if any) will be carried into the next cycle and how the results of this plan have changed planning for the next cycle in your unit or other college units.

FGCU students are being well served by FGCU resources and training. FGCU library director, Kathy Hoeth, has stated that all resources are online and students know how to access and use them. This must be so, for VPLRC has had no demands from university students nor faculty.
