3					
Assessments of Plan Success					
1	Workshops were held and handouts were distributed.				
2	Eight faculty members use Turnitin.				
3					

## Use of Results For Improvement

Due to success of these workshops, I repeat the workshops during professional development days, and offer personal help to instructors throughout the year. Instructors who teach writing intensive and ENC sourses are the target. Turnitin software is difficult to use and too much trouble for some instructors.
