There are no Units Impacted to Display

Status Reports

Report Date	Status Report
8/26/2010	Met with Rookery Bay and Edison Collier faculty August 20 to continue discussion of course development and internship opportunities that complement the mission and goals of the Undergraduate Research initiative. Also met with Bill Wilcox and Lyman O'Neil on the Charlotte campus to explore different but similar undergraduate research initiatives involving wildlife conservation in Charlotte County. Met with Prof. Cheryl Black to discuss possible development of a new course in Human Animal Conflict that lends itself to undergraduate research in such countries as Costa Rica and Belize.
7/23/2010	Met with Rookery Bay staff and Collier biology professors to discuss the development of the courses in May and July 2010, with monthly meetings to continue through the Fall of 2010.

Results

Date	Actual Results
10/18/2010	I continue to meet monthly with Rookery Bay.
10/23/2010	Met with Rookery Bay staff on Friday, Oct. 22, 2010. Rookery Bay will host a Dean's Council meeting on the property on Nov. 16 to include an assessment exercise kayaking against the tide, using the Ruth Stiehl river rapids model. This semester 6 Collier Campus students have enrolled in an Undergraduate Research study involving fish trawling and analysis at Rookery Bay.

Use of Results

Date	Use of Results
08/26/2010	Used progress to date to craft a letter of support for FGCU in its pursuit of a major grant to fund undergraduate research summer experiences for minority freshman and sophomore students from minority populations.

Unit Purpose

Obj ID	Objective	Objective Purpose	Objective Status
1142	Learning Resources	Operational Objective	Complete

Objective Description

Increase the number of faculty librarians district wide to better meet the needs of library patrons and to fulfill the intent of SACS 3.8 with regard to library services and staffing.

College Goals

D. Ensure a safe and attractive learning environment

Objective Types

No Objective Types to Display

Planning Priorities

Develop and maintain a learning-centered culture

Tasks

Due Date	Status	Priority	Task
N/A	Incomplete	High	Create an upgrade request for Cindy Campbell, from Librarian technician to Faculty Librarians. Transfer adequate funds from the district book budget to provide a part time 20-hour library faculty member at the La Belle Campus.

Assessment Measures

Date	Assessment Measure
07/23/2010	Approval of the upgrade for the Lee Campus; and the hiring of an adjunct Librarian for the La Belle Campus

Units Impacted

There are no Units Impacted to Display

Status Reports

Report Date	Status Report
8/26/2010	The proposed upgrade to faculty librarian has been approved and Professor Cindy Campbell has been informed of her new rank as a professor. Funding has been secured for an adjunct faculty librarian to work at the Hendry Glades Center for Fall, Spring and Summer A. The position has been posted and advertised.
7/23/2010	All paperwork for the Librarian upgrade has been submitted to the office of Human Resources. No response to date. Funding has been identified and secured.

Results

Date	Actual Results
08/26/2010	The full time library position has been filled, and the position will provide needed services in the area of collections development.
10/18/2010	Both positions have been approved and filled. This task is complete.

Use of Results

Date	Use of Results
07/23/2010	Results are pending approval from the office of Human Resources
08/26/2010	The position has been activated and will be included in the SACS Self Study as a positive step forward in providing adequate library faculty for our growing population of students who seek help with research projects.

Unit Purpose
