| The RESULTS S   | SECTION is     | s to be filled out at the   | end of the planning year.   |   |                                  |  |
| n your discuss<br>completely, pa  |                |   | this plan, describe to what ex  | tent each antici                        | pated outcome was achieved       |  |
| Results for Measureable<br>Outcome 1  |                | Online survey software purchased and in use on the LR web page. To be refined as required. Librarians to develop "environmental scan" of users and user needs through 2007-08 |   |   |                                  |  |
| Results for Measureable Outcome 2   |                | State-wide assessment initiative through LRSC/CIA to launch Fall of 2006.   |   |   |                                  |  |
| Results for Meas  | sureable       |   |   |   |                                  |  |

## USE OF RESULTS

Indicate which parts of the plan (if any) will be carried into the next cycle and how the results of this plan have changed planning for the next cycle in your unit or other college units.

All areas of the plan are ongoing at the campus level, district level for in-depth enviornmental scan and state-wide for two year study of student information fluency and assessment tools.
