Quick Start Guide

LOGGING IN

There are two levels of logging in for most
Films On Demand customers:
Account Login and **User Sign-In**.

Library: Type in your login information before distributing.

USER ID/EMAIL

PASSWORD

ACCOUNT LOGIN
to access your institution's *Films On Demand* video content:

1. Go to **http://digital.films.com**.

2. Type in your User ID/Email and Password, and click on "Login."

3. You will then be granted access to view all of your authorized videos via *Films On Demand*.

4. Or, if you have a Playlist Code, enter it in the box and click "View Playlist."

USER SIGN IN
to access your personal preferences, favorites, and playlists:

1. Log in to your institution's account (see above).

2. If you are already a registered user, click on "Sign In," and enter your personal User ID/email and Password.

3. If you are not already a registered user, click on "Create Account" to set up your personal User ID/email and Password.

CUSTOMIZE!
To access the customization tools, you must be logged in as a user.

FYI
READ THIS FIRST!

If your institution uses a form of automatic authentication (such as IP, Referring URL, or EzProxy), you may be able to bypass the account login process.

Look for the link on your library home page.
