17	This survey reminds me that I haven't taken full advantage of the resources provided by the library.	Oct 30, 2011 10:22 AM
18	More professional journals would increase student use of research.	Oct 28, 2011 7:37 PM
19	As an adjunct I cannot access the library without a ESC ID Card and as an adjunct I have been told I have to get a new ID card every semester. I haven't had one in the fifteen years I've worked part time at Edison so it doesn't seem real important. Additionally, the computer subject I teach doesn't require research or a written assignment.	Oct 28, 2011 5:37 AM
20	Mainly use the Charlotte Library in person or online databases and journals.	Oct 27, 2011 11:48 AM
21	Alwasy pleased with folks behind the desk.	Oct 27, 2011 11:07 AM
22	This is my first semester here, so I am just getting started learning and using the resources. I am very happy with how helpful/friendly the staff in the library are when I need help or have a question.	Oct 27, 2011 9:34 AM
23	Love our librarians!	Oct 27, 2011 8:54 AM
24	Excellent staff.	Oct 27, 2011 7:55 AM
25	I wish they provided me with more help. I was doing work for my Master's degree, tried to get help on resources and using the library and I was pretty much blown off. I was so upset.	Oct 27, 2011 7:52 AM
26	My students could benefit from a second library orientation/tutorial; until they actually have to find particular types of resources, they don't internalize the information, even though the librarians do a superb job with the presentation.	Oct 27, 2011 7:21 AM
27	The library could use more people that know how to use/teach technology to help the students having difficulty with assignments.	Oct 27, 2011 6:36 AM
28	The library staff have been extremely helpful to me in my research, and to my students' introduction to research.	Oct 27, 2011 6:34 AM
29	As an adjunct professor in the College Prep Dept. I am only on campus twice a week and do not have need of the Library as much as I use the Learning Lab	Oct 27, 2011 6:30 AM
30	The librarians and library staff are models of professionalism. They are extremely knowledgeable, and they enjoy sharing their knowledge with the students.	Oct 27, 2011 6:21 AM
31	I'm about to retire, so my input may not be very important.	Oct 27, 2011 5:55 AM

35	Exceptional staff and resources at ESC library.	Oct 26, 2011 5:44 PM
36	Since I began teaching at ESC, I have never received any instruction on how to obtain a faculty ID or to access the library. While I am an online instructor, I would still like to receive this information so that I can utilize the library.	Oct 26, 2011 5:13 PM
37	Great support for faculty and students from library staff!	Oct 26, 2011 5:04 PM

39	need expanded databases to serve the nursing and health professions	Oct 26, 2011 4:14 PM
40	I'm a new adjunct instructor for Edison Online - and I work at a university for my "day job" so I am able to obtain some library resources there. I hate to give so many "negative" answers but this survey has spurred me to visit the ESC / Lee Campus library next time I'm in Ft. Myers.	Oct 26, 2011 4:06 PM
41	Like previously mentioned, I have not really utilized the ESC library services. After working for 1.5 years, I just learned that I would be able to reserve library rooms to hold make-up exams or meetings. I'd love to use the research instruction meetings, but we have to follow our strict content schedules, which leaves little flexibility for outside activities.	Oct 26, 2011 3:52 PM
42	I've always been impressed with the Library and the assistance that I have received from the librarians. The online tutorials are great.	Oct 26, 2011 3:24 PM
43	I do not reserve the instruction services of a librarian for my classes because I am familiar enough with the sources now that I am able to do the same type of instructions in my own classroom.	Oct 26, 2011 3:22 PM
44	Excellent accommodating staff. Clearly, overcrowded facilities -- most notably computer stations -- suggest that expansion is necessary.	Oct 26, 2011 2:55 PM
45	When I was full time, I brought my students in on a regular basis. I love ESC library staff and faculty.	Oct 26, 2011 2:41 PM
46	I do not do a very good job of utilizing the resources of the library services	Oct 26, 2011 1:57 PM

47	As a historian I need more access to detailed databases for Peer Reviewed Scholarly Journals like the ones I used as a student at FGCU. I realize that changes, however, are not always possible due to budget constraints and other departmental priorities.	Oct 26, 2011 1:52 PM
48	everyone is always friendly - very important	Oct 26, 2011 1:17 PM
49	An awesome staff.	Oct 26, 2011 12:58 PM
50	We have a great library and staff.	Oct 26, 2011 12:38 PM
51	I think we have a fine library and an exceptional staff in the library. I would like to see the hours expanded for my students' sake and I would like to see a full set of Anatomy and Physiology models on reserve there so that students would have access outside of class hours.	Oct 26, 2011 12:32 PM
52	The library is staffed with outstanding personnel	Oct 26, 2011 12:12 PM
53	Love the Library!	Oct 26, 2011 12:12 PM
