

Students who have a Connect Card and are not updated in ALEPH can not be updated until their current registration for classes is verified in the Edison Portal. If they say they are not a student and they want to check out a book you can give them a COMMUNITY card. **DO NOT USE THEIR CONNECT CARD AS A COMMUNITY CARD.** You MUST verify local residency (Lee, Collier, Charlotte, Hendry, and Glades Counties) and they must be 18 years of age or older.

Thank you
Peggy
