Lee Dual Enrolled Collegiate High School Students

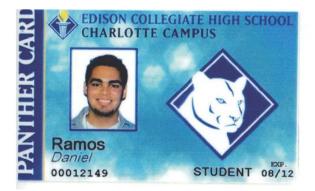

Hello everyone,

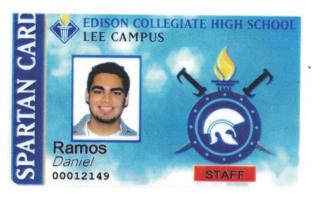

Lee Campus current **Dual-Enrolled** Collegiate High School students will be using their Collegiate High School ID as a library card. They are **not** required to get the Connect Card. As long as these students are **updated in ALEPH as a dual enrolled Edison State College student (Patron status 01)** they can use their Edison Collegiate High School ID. Their patron record looks like any other student's patron record. The only way you can tell they are dual enrolled is by their ID card and their birthday.

DO NOT manually update any dual enrolled student unless you have proof of their enrollment at Edison.

Please let me know if you have any other questions.

Thank you Peggy

times. You are personally responsible for all obligations incurred by use of card until it is reported tost or stolen.

For any questions or to report a lost/stolen card please call (239) 432-6700 or email connectcard@edison.edu If found please return to. Edison State College, Connect Card Office, 8099 College Parkway, Fort Myers, FL 33919
