The meeting was called to order at 11:15 a.m. due to technical issues.

Chapter Treasurer Andre O'Leary reported that the Chapter account has a balance of \$1,326.12. There are no outstanding or pending requests.

The Chapter executive board voted to purchase t-shirts for all members who will be attending the July Membership Development Conference in Cape Coral. Color choices were narrowed down to charcoal grey, pale pink or pale yellow. A vote was taken and a majority of the members selected charcoal grey. Sue Buntic will coordinate the order.

Surveys were sent out to members to get input on topics of professional development training at the alternate general meetings. The three topics that emerged from the survey are Communications, Leadership, and Legislative Updates. Another survey will be sent to determine the best meeting dates/times beginning in July. Kirsten expressed concern that the majority of faculty are off duty for the summer and may not be available to provide input. It was decided to send the survey now and see how many responses are received.

Edison State College had five representatives attend the Student Development Commission Conference on May 14-16. An Edison student won the Student Connection award.

Nine members have responded so far that they will attend the Membership Development Conference. Attendees should first request travel funds from their immediate supervisor or campus SPD funds. If funds are not available, Sue Buntic will request needed funds from Dr. Allbritten. The deadline for registration is July 1<sup>st</sup>.

The next meeting will be on Tuesday, June 25, 2013 at 11:00. Charlotte E-105, Collier G-109, Hendry Glades A-106, and Lee S-117.
