Health Press Ltd publishes Fast Facts, the ultimate medical handbook series. Fast Facts are ideal for clinicians who need fast straightforward information. Each of these guides distills from the best available evidence the essentials of diagnosis, treatment, care, and patient management in a succinct and well-illustrated manner.

To better support patient treatment options Health Press content on OvidSP offers a Fast Facts Book Collection as a cost effective package for one time purchase or an annual subscription. The Fast Facts Book Collection contains 24 Fast Fact guides covering 15 specialties.

### Why Purchase Fast Facts?

- Cost effective access to easy to understand eBooks covering wide range of medical disciplines
- Ideal for students looking for books that cover topics in a succinct and systematic way
- Easy to read with a perfect layout that suits the need of doctors, nurses, medical students & patients alike
- Deliver key information in a succinct and easy to access
- Physicians, nurses, and other clinicians can use when counseling patients, during initial diagnoses and throughout ongoing care
- Ideal for clinicians who need a fast, straightforward review of the treatment and management of patients
