Student Testimonial

“Being out of school for an extended period of time, this workshop offered me some good tips and tricks, as well as corrected some previous ineffective study habits I had. I would rate this workshop as very effective and recommend it to any and all friends.”

-Study Skills Workshop, Lee Campus

Surveys Completed by campus: Lee: 672 Collier: 137 Charlotte: 27 H/G: 27

New Student Programs

FYE Programming

FYE Programming promotes campus engagement through a variety of events and opportunities geared toward the interests and needs of first-year students, including: academic support and technology focused workshops, social engagement activities, and service opportunities.

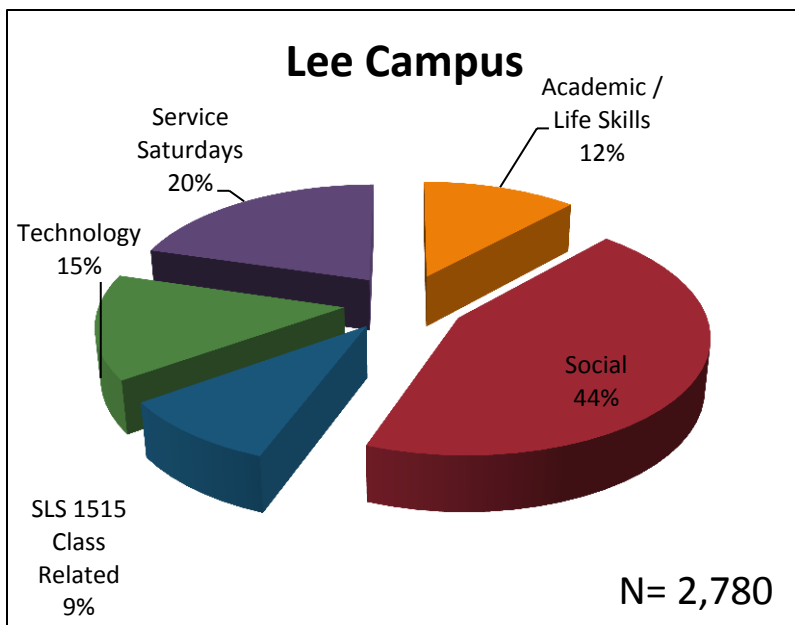

Games on the Green
