holocaust week 18TH ANNUAL

March 17-21

2014

The Holocaust Memorial Project has been named in memory of its founding member, Dr. Talbot Spivak, who gave nearly 21 years of dedicated service to Edison State College. The week-long Holocaust Commemorative has become one of the college's most profound cultural events. Hundreds of students and community members have come to know and understand the atrocities of World War II through Dr. Spivak's efforts. Visit Edison.edu/holocaust for more information.
