Dear Curriculum Committee members and Deans,

The April meeting is being cancelled as we have information items only. I can see no reason to disrupt everyone's day for a ten minute meeting listening to me read. Attached are six items: a pdf with VPAA information items for Fall 2014, 4 English Department proposals for learning outcome changes (will be on the agenda in September), and next year's critical dates grid.

I hope everyone has a great summer, and we'll meet again in September,

Jennifer
