---

**Procedures:**

Students are expected to attend all class periods of the courses for which they are registered. Students whose attendance is required in officially sanctioned College-related events should be granted an excused absence. Proof of the event schedule and student's participation must come from an authorized college administrator. Although students will be granted an excused absence, they are still responsible for making up any course material and (if necessary) making arrangement for completion of exams/quizzes prior to the next regularly scheduled class meeting. Excessive unexcused absence from a course may result in a lower grade, depending on the professor's grading policy. The determination of what constitutes excessive unexcused absence in any course rests with the professor conducting that course. Attendance requirements for a given course are to be found in the course syllabus.
