Procedure Title: Purchasing Card Program
Procedure Number: 04-1014
Originating Department: Office of Financial Services

Specific Authority:

Board Policy
Florida Statute 1001.64; 1010.04
Florida Administrative Code

Procedure Actions: 08/28/14

Purpose Statement: The purpose of this procedure is to streamline the College's payment processes by delegating the authority and responsibility of certain purchases directly to the Cardholder.

Guidelines:

This program will allow the Cardholder to purchase approved commodities and services directly from vendors. Each Purchasing Card (P-Card) is issued to a named individual, and Florida SouthWestern State College (FSW) is clearly shown on the card as the governmental buyer of goods and services. The P-Card is intended to complement the purchase order process and **not** replace it. The greatest benefit of the P-Card is eliminating the need for a majority (but not all) of petty cash, blanket purchase orders, and check requests issued by departments.

Procedures:

I. ISSUANCE OF THE P-CARD

- A. All requests for a P-Card can be made via the Purchasing Card Application accessible through the portal, under the online workflow forms. All requests will be approved by the Budget Administrator and appropriate Vice President.
- B. P-Cards will be issued to full-time employees only. No student employees or OPS temporary employees may be issued cards.
- C. In order to obtain a P-Card, each Cardholder must have one (1) Reconciler and one (1) back-up Reconciler within the department.
- D. The Cardholder and assigned Reconcilers will be required to attend a training session on the use of the P-Card and the reconciliation process.
- E. The Cardholder must sign the Cardholder Agreement form BO-057 before the card will be distributed.

II. CARD USAGE

- A. The P-Card may only be used by the employee whose name is embossed on it. No other person is authorized to use the card.
- B. The Cardholder may initiate college-related purchases for his/her designated department and on behalf of the department staff.

- C. Use of the card will be limited to commodities and services that are pre-authorized for purchase and with vendors that accept VISA cards.
- D. The Cardholder should inform the vendor that the purchase is for official State of Florida purposes, and therefore, is not subject to Florida sales tax. It is the Cardholders responsibility to have the tax removed if/when tax is charged. Out of state businesses are not obligated to honor the college's tax-exempt status.
- E. If orders are placed by telephone or the internet, the Cardholder must confirm that the vendor will charge the P-Card only when shipment is made and only for the goods being shipped so that receipt of the commodities may be certified on the monthly statement of account from Bank of America. Cardholders will obtain the total cost of the order from the vendor (including shipping, if applicable) before placing the order to ensure that it does not exceed the Cardholder limit.
- F. If an item needs to be returned, the Cardholder should return the item(s) to the vendor within ten (10) business days for replacement or credit. Any action taken under this provision shall be documented in writing. ***Under no circumstances, should the cardholder take cash for returned merchandise.***

- B. The Cardholder may request a temporary spending limit increase by completing the Temporary Limit Increase Form BO-054.
