RE: Update for previously approved curriculum actions, VPAA Information Item February Curriculum Committee meeting

During the October 2014 Curriculum Committee meeting, the committee reviewed and I approved proposals changing the prerequisites for TPP 1606 and TPP 2300. However, there was existing prerequisite language missing from the proposals that need to be retained. The prerequisites for TPP 1606 and TPP 2300 are:

THE 1000 or THE 2100, with a grade of "C" or higher

During the January 2015 Curriculum Committee meeting, the committee reviewed a change to the course prefix and number for American Cinema from ENG 2100 American Cinema to FIL 2826 American Cinema. However, we received notification from the Statewide Course Numbering System (SCNS) that the course will be assigned a different number:

FIL 2001 American Cinema
