The advisor has the duty of informing officers of the purchasing regulations. The advisor is held responsible for collecting and depositing all funds in FSW's Cashier Office by the next business day.

Budget Procedures

Once a student organization is officially recognized by FSW, it is entitled to an account (Fund 6) within the college. These funds are held by the college's Office of Financial Services and are accountable to certain guidelines. Note—Student organization accounts do not generate interest.

Accounts

- A. Set up—An officer and advisor should contact the appropriate Student Life staff member and request that an account be opened for that organization.
- B. Approval—The budget administrator's signature must be on all budget paperwork before it can be approved. In addition to this, the officer and advisor must also validate the financial transaction with their signatures. Note—The club advisor should be listed as the college contact person for any student organization's order placed with a vendor.

Transactions

There are three types of transactions that clubs may utilize: Check Request, Petty Cash, and Deposit Memos.

- A. **Check Request**—Complete and submit the Check Request form with supporting documents to the appropriate Student life staff member. A check request must not exceed \$250.00. To make a purchase, clubs should request a quote from the vendor; then, complete a Check Request form, and attach it to the quote. This should be submitted to the Office of Student Life. Student Life will forward it to the Office of Financial Services where a check will be produced for the vendor. A check is normally ready within two weeks. The Office of Financial Services will mail the check to the organization/ recipient or release it to the individual specified on the form. Please be sure to keep a copy for your records.
- B. **Petty Cash**—Expenses totaling \$50 or less may be reimbursed immediately through petty cash. Obtain a Petty Cash Form and signatures from the club advisor and budget administrator. Submit the form with the original receipt attached to the Cashier for reimbursement. A copy must be given to the Student life staff member for bookkeeping purposes. Please be sure to keep a copy for your records.
- C. **Deposit Memos**—Deposits can be made on any campus through the Cashier. Any money collected through fundraising must be deposited within 2 business days after the event is completed. Deposit Memo Forms are available in the Office of Student Life. These may be submitted to the Cashier with cash or checks for deposit into club accounts. Checks must be made out to the student organization and Florida SouthWestern State College (e.g., Environment Club / Florida SouthWestern State College). The white copy of the Deposit Memo will be retained by the Cashier's Office and the yellow copy is to be returned to the Office of Student Life.

Section 4 Marketing and Communication

I. Communication & Publicity Procedures for Student Clubs & Organizations

Student Clubs and Organizations have various avenues for communicating opportunities for involvement with the greater student body. Some are more effective than others, and the Office of Student Life can be consulted for advice on the best way to publicize club activities. In all club communication and publicity, there are several procedures in place:

All publicity must be approved by the club's/organization's advisor and Office of Student Life. Clubs or student organizations that wish to utilize college-owned platforms for publicity or mass communication may be denied if

1. unapproved by the advisor,
2. deemed to be in poor taste or reflect poorly on the college, or

3. failed to follow guidelines below. (Organizations and clubs may face disciplinary actions, including the denial of future activity requests. When in doubt, consult the Office of Student Life!)

A. Portal Calendar—The Portal calendar is utilized by and visible to all students, faculty, and staff at Florida SouthWestern State College. It is the classic “calendar of events,” and it is one of the best ways to promote a meeting, activity, or event. Only certain administrators at the College are able to post items on the Portal calendar. Student Life staff have this privilege. If you wish to have something posted to the Portal calendar, you should make this request on the Activity Request Form and turn it in to the Office of Student Life. To have regular club meetings posted, it is not necessary to turn in an Activity Request Form for each meeting; check with your campus’ Office of Student Life to see how they would prefer you request this. You may also contact the Office of Student Life via email about having something posted; be sure to include all available information and details of the activity.

B. Flyers and Posters—Clubs must create their own flyers for the Office of Student Life to print. All flyers and posters must be approved by the advisor and the Office of Student Life. Flyers/posters should be of high quality. Student Life reserves the right to deny the production and distribution of any flyers/posters.

Any materials placed on prohibited surfaces e.g., windows, walls, doors, vehicles, etc. will be removed immediately by building maintenance personnel or by Student Life staff. Consult the Office of Student Life on your campus to understand prohibited locations. The sponsoring organization is responsible for removing the materials within 24 hours following the activity.

C. Mass Email and Portal Announcements

If you would like a mass email or portal announcement sent out, consult the Office of Student Life. The advisor must approve the text.

D. Social Networks (Facebook, etc.)
(PLEASE CONSULT STUDIO FSW.)

E. Off-Campus/Community Publicity
(PLEASE CONSULT STUDIO FSW.)

Section 5 Student Travel

Student Travel Procedures

Student clubs/organizations must complete several steps before travel can be authorized.

There are forms that the advisor must complete before and after traveling. Office of Student Life cannot fill these out for the advisor. Each advisor must complete his/her own paperwork.

- A. **Travel Authorization Form**—Travel Authorization Forms (TA) must be completed before all trips and conferences (to be considered official and to use club funds to cover expenses). The advisor must complete a TA for the group (Recommendation 15 students to 1 advisor, do not exceed 20:1). The form must list the names of all students who are traveling. A copy of the event/conference agenda or appropriate documentation must accompany the TA. The TA (only the authorization form—not the reimbursement forms) should be completed and submitted to the appropriate student life staff member prior to departure (at least four weeks before). If authorization forms are not submitted within four weeks of departure, the trip may be denied.
- B. **Travel expenses**—Use the Check Request form to initiate the cutting of a check for any purchase that does not require a purchase order.

Academic Requirements—Students intending to travel with a club, SGA, or in the name of the college must meet the following requirements: Club officers or executive board positions must maintain a 2.5 GPA for the current and cumulative semesters, and maintain and complete at least nine (9) credit hours in the fall and spring semesters during their term. All other students must maintain at 2.0 GPA for the current and cumulative semesters, and maintain and complete at least six (6) credit hours in the fall and spring semesters. The notice of Notice of Class Absence Due to Activities form should be submitted four weeks in advance for all students planning to travel.

- C. **The Code of the Road**—Delegate Contract sets the guidelines for club members on off-campus excursions. All FSW student organizations are responsible for using the Code of the Road. It should be read and signed by all trip attendees, then submitted to the appropriate advisor or designee traveling with the group. This form allows the student to receive medical attention, emergency contact, and informs the student that he/she is still held accountable for adhering to the Student Code of Conduct.
- D. **FSW Students and Advisors Only**—Club/organization sponsored trips are for members of that organization and advisor (college-official) only.

Advisor Responsibilities for Off-Campus Travel Form—The club advisor must read and sign the Advisor Responsibilities for Off-Campus Travel Form and submit it to the appropriate Student life staff member four weeks prior to departure.

I. Transportation

Members of clubs/organizations may use college vehicles, rental vehicles, commercial transportation, or their personal vehicles for trips and conferences. Specific stipulations apply to each mean of transportation.

A. **College or Rental Vehicle**—No student may drive a college vehicle or rental on behalf of the college or any club/organization unless that student is an employee of the college. Only full-time employees who are 18 years of age or older holding a valid Florida driver's license may drive college-owned or rental vehicles. (COP 08-0829)

B. **Personal Vehicle**—If a student has the permission of the appropriate student life staff member and the advisor to drive his/her own vehicle (not a rental or college vehicle) to a trip/conference, the student's own insurance should provide coverage. The student must drive in "caravan" style with the advisor.

C. **Public Transportation**—Commercial transportation includes air, train, bus and boat, the appropriate Student life staff member and/or advisor should always be consulted prior to making any reservations. All proper paperwork must be submitted before arrangements are made.

The college uses a Travel Authorization Form for students and staff travel. Should anyone or any organization need reimbursement for hotel, gas, parking, tolls, transportation, etc., the Travel Expense Reimbursement Form BO-002 must be completed and submitted to a student life staff member after returning from the trip. Be sure to submit original receipts two weeks after trip for all expenditures that require reimbursement. It is a good idea to make a copy of the original receipts for the club/organization's treasurer and advisor for record keeping purposes.

Pay in Advance

Student organizations are encouraged to pay for as many expenses as possible before the trip. Expenses for conference registration, hotel, commercial transportation, and rental car are paid in advance by submitting Request for Payment.

1. Check Requests or Purchase Requests should be
 - a. Made payable to the vendor.
 - b. Indicate the names of students being registered and the cost for each.
 - c. Submitted to the Office of Student Life with two copies of the conference registration form.
2. The Accounts Payable department will settle the expenses on behalf of the organization (Club accounts are not tax exempt).
3. When the organization returns from the trip, the Travel Expense Reimbursement Form BO-002 is completed with exact figures for expenses. The total amount owed the traveler or owed the college will be evident on the Travel Expense Reimbursement Form BO-002 and documented by attaching the original receipts.

Pay upon Return

The college will pay the amount due to the traveler or creditor. The total amount due should be evident on the TA form located in the student travel packet and supported with original trip receipts.
