

**DATE:** May 20, 2015  
**TO:** Dr. Denis G. Wright   
Provost and Vice President, Academic Affairs  
**FROM:** Dr. Marie Collins   
Dean, School of Health Professions  
**RE:** Fall 2015 Catalog Corrections Request for Approval

### **Respiratory Care, AS**

DELETE: MAC 1105 College Algebra is Strongly Recommended. Rationale: the Common Prerequisite Manual for the related BAS in Cardiopulmonary Sciences does not require MAC 1105

### **Cardiovascular Technology, AS**

DELETE: MAC 1105 College Algebra is Strongly Recommended. Rationale: the Common Prerequisite Manual for the related BAS in Cardiopulmonary Sciences does not require MAC 1105

### **Health Information Management Technology, AS**

DELETE: BSC1093C Anatomy and Physiology I and BSC1094C Anatomy and Physiology II.

RATIONALE: The minimum requirement is BSC1084C Anatomy & Physiology (4 credits).

PROGRAMMING REQUEST: If applicants in the AA Focus in Health Information Technology or the AS in Health Information Technology have completed BSC1093C and BSC1094C, then they will have automatically met the BSC1084C Anatomy & Physiology requirement. No further credit review is necessary.
