RE: HSA 3113 and HSA 3430

I am approving to add the course registration restriction for these courses to include BAS SMAN students effective Fall 2015:

HSA 3113 Contemporary Issues in Healthcare

HSA 3430 Health Care Economics

These courses are now elective courses in the BAS SMAN degree program, but the curriculum actions to add BAS SMAN students to take these courses were overlooked. This memo will be sent to the Curriculum Committee as a VPAA information item in September 2015.
