

Collection Management Report

WEEDING PROJECT UPDATE

The Summer semester has come to an end and we're settling into the Fall semester. Collection Management days will be fewer as we get busier and we may have to give up collection management time to pitch in as needed at the reference desk BUT the great news is we've done an amazing job working through the collection this summer. We've weeded a total of 7,324 titles since beginning this project. Excellent work team! We're getting the collection into shape and serving our students! Thank you for the hard work. Let's keep it going.
