⚙ increase available shelving in circulating print collection.

👥 Public for this Department and lower

Name of Unit:	Lee Library
Outcome Number:	2
Outcome Title:	increase available shelving in circulating print collection.
How were the results from the prior year used to develop this outcome?:	
Outcome Statement (SMART):	Shelving from the print reference collection will be re-purposed and integrated into the circulating collection; this will assist the need for additional shelf space in this area.
Alignment to Strategic Direction:	
Is this outcome related to technology?:	☐
1 (Required) - Assessment Method :	1. The Rush Library anticipates that the print circulating collection will need to increase title count in response to program changes at the College. The title count has decreased over the past few years in response regular inventory review, increased delivery of content via e-books (see current title count in attached report). Space is a consideration for future needs. 2. met with facilities to access moving shelving to third floor and to ensure compliance with all rules/regulations. 📁 facilities/shelving 📁 number of circulation titles-print 📕 facilities/shelving 📘 number of circulation titles-print
1 - Results & Analysis:	Shelving from the Reference area was successfully moved and integrated into the circulating materials area. This will accomodate the addition of books and monographs in the circulating collection.
2 (Optional) - Assessment Method :	
2 - Results & Analysis:	
3 (Optional) - Assessment Method :	
3 - Results & Analysis:	
Use of Results:	The addition ofshelving for the Rush Library print circulating collection has enabled us to increase the space for new titles in the near future consistent with our collection management; including certain identified Library of Congress classification ranges such as the E-D (History), D/E (economics/business) and Q/R (science/health/medicine).
Additional Notes or Comments:	met with facilities to access movement of shelving to third floor and ensure compliance with handicapped access, fire codes and all other applicable rules. see file facilities/shelving.
Progress:	
Responsible Roles:	No Roles Selected
Recipient Roles:	No Roles Selected
Start:	7/1/2013
End:	6/30/2014
