ACCEPTED WITH MINOR CORRECTIONS	EFFECTIVE TERM
Amend proposal to include BSC 1093C with a minimum grade of a "C" or better as a prerequisite	Fall 2016

COMMITTEE MEMBER COMMENTS	
This course is an additional general education course not a core course. Michelle will correct the proposal forms in the future to distinguish between core or additional general education.	
Can a student take BSC 1093C and then BSC 1086C? The School of Health Professions does not have a problem with different sequences. It is problematic for transfer students and the pipeline students who may not have the opportunity to take BSC 1094C and need to take BSC 1086C instead.
