Thank you for this great reminder list Cindy and I'm happy to help! I will start asking around and seeing if I can get some faculty to respond. Stay tuned for feedback... and don't hesitate to remind me if you don't hear from me in a couple of weeks!

Subject: Yesterday's meeting

Hi Roz,
Thank you for meeting with us yesterday. Your input is important to us. The following topics were discussed

Natural Science user statistics – 1,281 during 2014-15.

Link to trial - [ProQuest SciTech Collection](#) - <https://trials.proquest.com/trials/trialSummary.action?view=subject&trialBean.token=WTO00DTI2GFAJAWRZCTL> The other links are for ebooks. Vendors, always looking for a way to sell something.

We need to add Springer to the list of science databases for you. I will let you know when this happens.

Link to survey - https://fsw.qualtrics.com/SE/?SID=SV_0w8U4QSYhv3accd Please let us know of any changes that are needed.

Again, thank you for your feedback. We appreciate your help. And know that the needs of our science faculty and students are our priority.

Have a great day,
Cindy
