<b>ACTION ITEM 28</b>	New Program, BAS Information Systems Technology	
<b>PRESENTER</b>	Andrew Blitz	
<b>NOTES</b>	The School of Business and Technology proposes a new <i>BAS, Information Systems Technology</i> program. The need for this program is determined largely by the large existing skills-gap in the existing regional workforce and the fact that other institutions of higher education in Florida SouthWestern State College's service area are not producing sufficient graduates to close the gap. <b>ACTION ITEM 29</b>	Change of Program, AS Paralegal Studies	
<b>PRESENTER</b>	Dr. Mary Conwell	
<b>NOTES</b>	The School of Business and Technology proposes a change to the <i>AS, Paralegal Studies</i> program. The change involves the addition of two 3 credit hour courses, <i>PLA 2763 Law Office Management</i> and <i>PLA 2880 Constitutional Law</i> . Paralegal faculty believe the addition of these two courses will improve the programmatic outcomes by better preparing students to be successfully employed in a law office or related environment. This also reduces the number of elective credit hours in the program from 9 to 3. Effective date is Fall, 2016.

<b>ACTION ITEM 30</b>	Change of Program, AS Crime Scene Technology	
<b>PRESENTER</b>	Dennis Fahey	
<b>NOTES</b>		

The School of Business and Technology proposes a change to the AS, *Crime Scene Technology* program. The change involves the removal of *CGS1000 Computer Literacy* as an option for core requirements, the deletion of *ISC 1001C Foundations of Interdisciplinary Science* (3 credit hours) from the core requirements, and the addition of *CJE 2602 Computerized Crime Scene Graphic Imaging and Documentation* (3 credit hours) to the core requirements. Faculty believe science foundations are adequately met with general education science and *BSC 1084C Anatomy and Physiology* courses. In addition, faculty believe the *CJE 2602 Computerized Crime Scene Graphic Imaging and Documentation* course provides students with exposure to the most recent technology available to crime scene technicians in the field and more fully addresses the outcomes described in the state framework standards. Effective date is Fall, 2016.

Deborah Howard

**NOTES**

The School of Health Professions proposes a change to *HIM 2724 Basic ICD-10 Coding*. Prerequisites changed from *HSC 1531, BSC 1084C, HIM 1430* to *HSC 1531, BSC 1084C* or *(BSC 1093C and BSC 1094C)* or *(BSC 1085C and BSC 1086C)* all with a minimum grade of C or higher. Number of credit and contact hours changed from 2 to 3. The Centers for Medicare and Medicaid Services have implemented *ICD-10-CM/PCS* to replace *ICD-9-CM* for coding claims. The *ICD-10* coding system now requires greater emphasis and *ICD-9-CM* will be deleted from the curriculum. Prerequisite changes are due to the revision to the Health Information Technology degree curriculum sequence and changes in anatomy and physiology course offerings. Effective date is Fall, 2016.
