Subject: Patron Registration Date

We **always** need to check when checking out the Kindles too!
Peggy

FLVC has generously added the patron registration date information under the Patron's name (See below).

Patron Information	
Patron Details Patron Loans Summary	
Patron Name	Bianco, Steven
Registration Date	20130503
	Lee County Campus

The purpose of this information is for student assistants and staff to ensure that student patrons are currently registered as of the last file run on Friday. The date is currently shown in Year Month Day [YYYYMMDD] order, this may change to a more friendly format in the future. Be sure before loaning any items, mainly DVD's, to check this date and make sure it was the last Friday. If the date is not current and they are shown as a student, have a staff member verify the patron's registration.

Patrons who were not in the file run, i.e. Community members, may have a registration date of 00000000 this is normal. We are mainly concerned with loaning DVD's to currently enrolled students. If you have any questions please ask Peggy or a Staff Member.
