RE: Course Deletions-“Five-Year Rule”

In accordance with Florida Statute, 1007.24, FAC 6A-10.0331, and FSW College Operating Procedure 03-0605, the Academic Deans of each School (in consultation with faculty) have reviewed the list of FSW courses not taught during the five years preceding the effective date of the next catalog. As a result of this review, below is list of courses that are recommended for removal by the Academic Deans.

I approve these course deletions effective for the Fall 2017 catalog. Via this memo, I request that this deletion list is added to the Curriculum Committee agenda as a Provost information item for the December, 2016 meeting.
