Section III, Justification for proposal

Provide justification (below) for each change on this proposed curriculum action.
These courses currently operate as lecture classes with a significant hands-on component. They have the "C" designation to indicate this practical component, but do not require the additional contact hours that the C designation might be interpreted to indicate. This proposal seeks ONLY to add clarity by removing the C designation and makes no other changes to title, application to program, credit hour, etc. This change is being requested for implementation Fall of 2017 and to be represented in the catalog accordingly. The requested change is consistent with the way these courses are listed and offered at many other FCS and SUS institutions.
