Dear Ms. Scheidler,

Please find below the requested information on our teacher candidates who are currently matriculating in/through each of the teacher preparation programs that the Florida SouthWestern State College School of Education is closing:

Program	# of candidates currently matriculating in/through	Date Last Student is Expected to satisfy all program requirements	Date FSW Removes Required Program's Courses from Catalog
Middle Grades English/ESOL/Reading (Program Code 504):	13	Spring 2018	<b>2021;</b> Five Years from the date students were notified of programs' closings.
Middle Grades Mathematics (Program Code 306):	5	All students are currently in final internship and are expected to graduate in May 2017 unless FTCE exams are not passed.	
Middle Grades General Science (Program Code 307):	5	All students are currently in final internship and are expected to graduate in May 2017 unless FTCE exams are not passed.	
Secondary Biology (Program Code 288)	0	The last student in this program graduated in Fall 2016.	
Secondary Mathematics (Program Code 287)	3	All students are currently in final internship and are expected to graduate in May 2017 unless FTCE exams are not passed.	

Finally, we would like to confirm that henceforth we will continue to seek approval for our offering of Elementary Education/ESOL/Reading (Program Code 494). If you have any questions or concerns, please contact me at (239) 898-4393 or by email at [Megan.Just@fsw.edu](mailto:Megan.Just@fsw.edu).

Best,

**Megan A. Just**

**Subject:** RE: Program discontinuance for Florida SouthWestern State College

Hello Dr. Miller,

Back in December of 2016, we received word from your institution that you wished to phase out certain programs in the near future (see attachment). Specifically, the following programs were to be discontinued:

- Middle Grades English/ESOL/Reading (Program Code 504)
- Middle Grades Mathematics (Program Code 306)
- Middle Grades General Science (Program Code 307)
- Biology (Program Code 288)
- Mathematics (Program Code 287)

Please identify the number of candidates that are currently matriculating in/through each of these programs, the date that the last student is expected to satisfy all program requirements and pass each portion of the Florida Teacher Certification Examination (FTCE) required for a professional certificate in the area(s) of program concentration.

The program's discontinuance date should occur on or after the date in which the last student successfully fulfills/satisfies all teacher preparation program requirements and has achieved a

passing score on all portions of the Florida Teacher Certification Examination (FTCE) required for a professional certificate in the area(s) of program concentration, specifically attaining a passing on the professional education competency examination, the basic skills examination, and the subject area examination for the subject area certification which is required by state board rule.

Please email this information to [EdPrepFolio@fldoe.org](mailto:EdPrepFolio@fldoe.org) so that we can update our records for your institution regarding these program areas. Also, please confirm that your institution only wishes to seek continued approval for one program area, which is Elementary Education/ESOL/Reading (Program Code 494).

Thank you,

Denise Scheidler
