Mission

Edison State College's School of Education provides a rigorous learning environment ensuring teacher candidates will achieve their greatest potential through Principles of Excellence. Building on a strong pedagogical, ethical and socially conscious foundation that fosters creativity and innovation, Edison State College's School of Education produces graduates equipped to contribute to the diverse community of life-long learners in Southwest Florida.

Vision

Edison State College will mentor reflective practitioners endowed to educate 21st century learners in a world-class global environment.

Principles of Excellence

The teacher candidate will...

- Synthesize academic content, pedagogical skills and educational technology to instruct digital natives.
- Continually explore new methods, best practices and instructional designs to impact p-12 learning.
- Employ strong written, verbal and non-verbal communication skills.
- Emulate and foster caring and ethical behavior in order to build teaching and learning environments that build upon the strengths of students' diverse cultures and learning styles.
- Collaborate with key stakeholders, such as; administrators, colleagues, parents and leaders in the local community.
- Engage in reflective practice with an understanding that learning is a lifelong process.
