

**Department of Nursing
Community Advisory Board and
Program Employers' Survey**

Combined Survey Result 2-2018 Lee/Charlotte/Collier

Your feedback is vital to the ongoing improvement of the FSW ASN and RN to BSN Programs.

	Strongly Agree 4	Agree 3	Disagree 2	Strongly Disagree 1	Not Applicable
I feel the members of the Advisory Board have input into the nursing processes and decision making. (ACEN standard 1.3)	11	2			1
Program outcomes (NCLEX results, program completion, satisfaction surveys, and job placement) were shared with the Advisory Board. (ACEN standard 6.3)	11	1			1
I believe that FSW prepares ASN graduates to:					
Demonstrate effective nursing care skills needed for entry level into the clinical setting.	11	2			1
Demonstrate the role of a professional nurse within the scope of nursing practice, interacting in a responsible legal and ethical manner with clients and members of the healthcare team.	11	1			1
If you have observed or have received feedback regarding a FSW ASN graduate how would you rate the following:					
Delegates nursing care to other health care providers	9	1			3
Serves as an advocate for clients	9				4
Accountability for nursing care delegated to other health care providers.	9				3
Utilizes hospital and community resources in planning for continuity of client care.	8	2			3
Practices within the ethical and legal framework of nursing.	9	1			3
Serves as a role model to members of the nursing team.	10				3
