6. Classroom Environment	19	6	1			26
7. Objectives Met	22	3			1	26
8. Speaker(s)	21	5				26
9. Effectiveness of Teaching Method	21	5				26

1. What new or "key learning" will you take away from this program's presentations?

- *How enrollment is being performed*
- *Concept based learning*
- *15% RN need*
- *Number of RNs in program*
- *Graduating nurses not supplied enough to fill needed positions*
- *That in the next 10 years it is predicted to increase RN's by almost 15% and the need for higher educated RN's.*
- *I really appreciate the statistics that you gave and the references (labor stats) and thank you for providing great detail.*
- *Nursing new outcome levels hopes of education*
- *State regulations, requirements, FSW comparisons. Thoroughly enjoyed all the information.*
- *ASN-BSN*
- *Eye Opening in terms of thinking of retiring RN's*
- *Great to see statistics for Florida*
- *It was interesting to hear about all of the nurses that would be retiring soon*
- *Great Stats*
- *Interesting statistics. Happy to see where ASN stands and still is going strong*
- *63% RN in Hospitals*
- *Nursing Shortage*

2. How will you use what you have learned in performing your job functions?

- *Looking at options for future partnerships with FL Dept. of Health (Lee County)*
- *First meeting –enjoyed presentation*
- *Share information with faculty*
- *NCLEX numbers /%*
- *Share these statistics with others.*
- *Encourage employees to explore additional opportunities @FSW.*
- *Encourage FSW to pursue BSN*
- *Statistics will help us raise new dollars for program support*
- *It will help us tell the story of the nursing program and the importance of the program to the community*
- *Try to mentor students to pursue their healthcare career to BSN*
