

## **FSWC Collegiate HS Faculty Meeting 9/4/18**

2-2:45pm/K103

1. Active Shooter Staff Training – Sargent Mike Marshall, CCSO & Sargent Pat Gallagher, FSW PD: Also in attendance was Security Officer Carl Sousa. There is a new law, once a semester schools must have a Code Red Drill. If there is an active shooter on campus, the police main responsibility is to stop the shooter.  
A video and Powerpoint was shown. During a real Code Red, the building may be locked down for several hours while police investigate. Several uses of classroom equipment was discussed on how to lock down and block doors.  
A Fire Alarm Plan was also discussed. Some schools are not responding to the fire alarm unless they see smoke or fire. This topic will be discussed more in the future.
2. Code Emergencies/Plans – Wier: We will be conducting Crisis Emergency drills once a month. Being either a Fire Drill, Code Red, or Code Blue. The Crisis Team will assemble and discuss the situation and take the best plan of action. Teachers will receive Emergency Binders with instructions, access to a Google Form, and more information soon. Substitutes were also discussed. A plan will be devised for sub protocol.  
We will conduct a Code Red Drill on Monday. Parents and students will be notified in advance ye email and Remind.
3. Student Led Parent/Teacher Conferences – Foster: A FSWC Student Lead Conference Guidelines sheet was handed out to all teachers. Mrs. Foster feels that the student should give more input to the conferences and get their thoughts and concerns together before the teachers discuss issues in the classroom.
4. Open Discussion: Monday in addition to the Code Red we will have a speaker in the auditorium at 10:15. The bell schedule will be modified for the day.  
Lanyards and ID cases have been ordered for students. More discussion to follow.
