Section IV, Justification for proposal

<p>Provide justification (below) for each change on this proposed curriculum action.</p>
<p>It was recognized that Level 3 in the ASN curriculum was heavy in course load and overwhelming for students. In the review of the ASN curriculum, faculty felt there was duplication of content in the course NUR 2440 Children and Women's Health and courses in other levels. It was determined that a 1 credit course with obstetrical content would better fit the curriculum.</p>
<p>This course was presented on Nov 1, 2019 as a new course, but was found to be still listed as an existing course. It is now being submitted as a change of course.</p>
