Provide justification (below) for each change on this proposed curriculum action.
<p>We are reducing the number of credits for the General Education Natural Sciences requirement from 4 credits to 3 credits. This allows us to increase the course credits for HUS 2905 from 2 to 3 credits.</p> <p>Students enrolled in HUS 2905 will now be required to take the National Human Services-Board Certified Practitioner (HS-BCP) Exam. Extending course hours in HUS 2905 will maximize the time we have to help students study for and take the HS-BCP Exam.</p>
