## Change of Program or Certificate Proposal

*Note required information: Program or certificate changes require a change to the catalog page. All change of program or certificate proposals must include the new catalog page, with all proposed changes, at the end of this document. All changes that affect the courses, words, numbers, symbols, program description, admissions requirements, and graduation requirements must be documented. Note before completing this proposal that all new courses and current prerequisite, co-requisite, core, or elective courses changes must have already been reviewed (or submitted for the same meeting) by the Curriculum Committee and approved by the Provost. The Track Changes feature in Word must be used to illustrate all changes to the catalog page.*

**Section III, Justification for proposal**

Include state frameworks, accrediting or professional organization recommendations or requirements, workforce data, and/or crosswalks.

<p><b>Provide justification (below) for each change on this proposed curriculum action.</b></p> <p>The FDOE only lists five official <i>Core General Education</i> courses: MAC 1105, MAC 2311, MGF 1106, MGF 1107 and STA 2023 [As a footnote, they do accept any math course for which any of the five listed is a prerequisite, but MGF 1113 does not fit that description.] Therefore, even though FSW recognizes that MGF 1113 and MGF 1106 share enough objectives to restrict students from receiving credit for both, we cannot officially list MGF 1113 as a <i>Core General Education</i> course in our catalog without petitioning the FDOE for permission to do so.</p>
