Section I, Important Dates and Endorsements Required

NOTE: Course and Program changes must be submitted by the dates listed on the published Curriculum Committee Calendar. Exceptions to the published submission deadlines must receive prior approval from the Provost' Office.

Term in which approved action will take place	Fall 2020
Provide an explanation below for the requested exception to the effective date.	
<p>Requesting discontinuation for course prefix and number PSY 2146 (Abnormal Psychology) for 2020-2021 Catalog. This discontinuation proposal is paired with a New Course Proposal for CLP 2140 Abnormal Psychology. FLDOE requires a course prefix and number change to correspond to options in SCNS, as PSY x146 is not valid. Following discussions, CLP 2140 was selected as the most appropriate prefix/number combination for our Abnormal Psychology course, indicating a lower-level course with a prerequisite of PSY 2012 Introduction to Psychology. If CLP 2140 is approved as a new course, it will be listed as an equivalent course to PSY 2146, and PSY 2146 would be discontinued.</p>	

Any exceptions to the term start date requires the signatures of the Academic Dean and Provost prior to submission to the Dropbox.
