INFORMATION ITEM	1		
Type of proposal	Change of Course		
Presenter	Dr. Anita Rose		
Memo: Course Equivalency ENT 1000 = ENT 2000	Effective Date: Fall, 2020		
Summary of proposed changes:			
<p>Clarifies that ENT 1000 <i>Introduction to Entrepreneurship</i> and ENT 2000 <i>Introduction to Entrepreneurship</i> are equivalent courses. Add notation to ENT 2000: "Students who have completed ENT 1000 will have met the requirements of ENT 2000."</p> <p>Course number ENT 2000 replaced ENT 1000 via a Course Change Proposal in Dec. 2019. ENT 1000 was retained in the system until further notice to aid in matriculation of current students. However, course equivalency notations were not completed in all systems. Without the equivalency notation on both courses, students who have taken one of these courses must repeat work if their program requires the other course. Adding the equivalency information to each course rectifies this oversight. Dr. DeLuca approved an immediate change to the equivalency status of these courses, retroactive to the 2020-2021 Catalog.</p>
