RN to BSN Assessment Plan

Phase 1: Assess End-of-Program Student Learning Outcomes (EPSLO) per ACEN Standard 6

- Identify assessment method for each EPSLO; select at least one program assignment in a final course for each EPSLO. (Completed by M. Jenner & S. Torres 10/19)
- Create rubric statements for each EPSLO (Workshop).
- Add rubric statements to specific assignments (per J. Van Galan).
- Begin assessment with Spring 2020 final courses.

Phase 2: Plan Assessment Schedule for Course Student Learning Outcomes

- Create a grid of EPSLO and Course Student Learning Outcomes (SLO) for all courses.
- Schedule assessment timeframe for each course.
- Identify assignment(s) that evaluate(s) each Course SLO.
- Select the assignment in each course that best represents advancement toward EPSLO.
- Add EPSLO rubric statements to selected assignment.

Phase 3: Assess Course Student Learning Outcomes

- Begin assessment with Fall 2020 courses per schedule created in Phase 2.

Phase 4: Report and Evaluate Assessment Results from Phase 1 and Phase 3
