		<p>and ID.</p> <p><i>To whom it may concern,</i></p> <p><i>I am writing this letter as an appeal to the grades I have received. During the semester I had right knee surgery performed by Dr. Jugan Michael (239-936-6778). I could not drive, walk or sleep, due to extreme pain. I requested to be withdrawn from my courses and was denied due to it being too late. I was advised to write individual letters and did as I was instructed but was unable to receive responses from my instructors for their signatures in a timely manner. Therefore, I am requesting that I am not held accountable for being unable to finish my courses as I attempted numerous times to reach out regarding my concerns. I hope this message finds you well and you are able to assist me.</i></p> <p><i>Thank you in advance:</i></p> <p><i>MP</i></p> <p>Responding email:</p> <p>MP:</p> <p>Your petition to be re-admitted to the RN to BSN Program has been granted with a provision.
