Section I, Important Dates and Endorsements Required

NOTE: Course and Program changes must be submitted by the dates listed on the published Curriculum Committee Calendar. Exceptions to the published submission deadlines must receive prior approval from the Provost' Office.

Term in which approved action will take place	Fall 2020
Provide an explanation below for the requested exception to the effective date.	
We are working to expedite student registration during the current pandemic. The digital arts is working to make it easier for student's to complete their certificate in a single semester. This requires flexibility when it comes to the prerequisite structures. Removing the prerequisite was already the plan for this course, but it would be beneficial for students if it was done sooner.	

Any exceptions to the term start date requires the signatures of the Academic Dean and Provost prior to submission to the Dropbox.
