Faculty Librarians Meeting

Wednesday, 7/15/2020, 9:00am

Present: Arenthia Herren, Tim Bishop, Catherine Carney, Jane Charles, Frank Dowd, Jerry Franz, Karen Kalisz, Bill Shuluk, Tony Valenti

ReConnect Task Force Update

-Phase 3 is tentatively scheduled to begin on 8/10/2020 when campus will be open 5 days per week and return to a normal schedule

Purchases

-Digital anatomy model and LibCal to schedule study rooms using CARES Act funds

Online RI

- Designate professor as a cohost in Canvas
- Designate a back-up librarian on rotation
- Send auto-generated link to Tim for scheduling in calendar
- Annotate title with asterisk; enter user ID and password in the notes field
- Tell students they're being recorded if they want to turn off the video
- Arenthia used Cloud recording for her RI for Dale Hoover's class

Scheduling

- Don't schedule librarians who work on campus 8am-4pm for a 4pm-6pm AAL shift
- Share proposed on campus schedules with Dr. Hodges
- Intersession is relatively long: Should we staff AAL during intersession?

Reserves

- Students won't have access to reserve materials because of sanitation limitations

QEP & Information Literacy

- Librarians will research what other libraries have implemented for QEPs focused on IL and faculty PD / training
- Consider giving certifications to faculty who complete IL training
- Determine content for modality training
- Work with Dr. Hodges to develop framework
- Consider assessments needed for QEP

FALSC update

- Loss of state funding
- Moving out of University of West Florida

- Looking for a replacement institution -- not necessarily a university or college
- May cease to exist; don't make plans that involve FALSC support
- Carry over funding will take FALSC into August 2020
- We will know more in January 2021
- Dr. DeLuca has discussed concerns regarding the loss of FALSC with the SUS chancellor
- We must determine how to provide what FALSC provides, including authentication for students, DB cost savings, Aleph set up, ILL, etc.
- SWFLN is not getting any more funding, either

Technical Services Librarian

- Not having a technical services librarian is problematic
- We could create a staff librarian position
- We would need an additional line for new position
