

ASSOCIATE IN SCIENCE- NURSING

LPN Articulation Admit Plan

Based on available space, LPNs will be admitted each fall and spring semester for the Florida Department of Education Gold Statewide Articulation Agreement. All LPNs applicants, meeting the requirements below, will receive a score based on their GPA in the (9) general education courses they have completed that are required for ASN graduation. The top scoring applicants will be selected to interview and test with the Nursing department. Those items will be scored and added to the applicant's initial GPA score. LPN applicants with a qualifying score (must be equal to or higher than the lowest selected score), will be selected for admission to the ASN program based on available space. An ASE1000 block of 11 credits consisting of AS Degree Nursing Core Courses: NUR1020C, NUR1068C, and NUR2092 will be added with a satisfactory grade to the student's record during their third term.

Requirements to Apply to ASN	
REQUIREMENT	MET
Current Florida SouthWestern State College student (Fall 2021 applicants must have been admitted to FSW by no later than Spring 2021)
