Re: Italian I and II  
Date: January 12, 2021

---

Two new foreign language courses, Elementary Italian I (ITA 1120) and Elementary Italian II (ITA 1121), were developed and added to Florida SouthWestern State College's curriculum and catalog beginning in 2018. The courses were added to allow students an additional option for completion of their two-semester Foreign Language requirement. At this point, it is appropriate for students who enrolled prior to the addition of the Italian courses to also use the courses to satisfy their foreign language requirements. Therefore, I support the addition of ITA 1120 and 1121 to Degree Audit five years back in time to 2016 to allow students to meet their Foreign Language graduation requirements under previous catalog years (2016-17; 2017-18, and forward).
