SACS requires AS degree Gen Ed to contain a Humanities, a Social/Behavioral, and a Natural Science/Math course:

The institution requires the successful completion of a general education component at the undergraduate level that:

(a) is based on a coherent rationale.

(b) is a substantial component of each undergraduate degree program. For degree completion in associate programs, the component constitutes a minimum of 15 semester hours or the equivalent; for baccalaureate programs, a minimum of 30 semester hours or the equivalent.

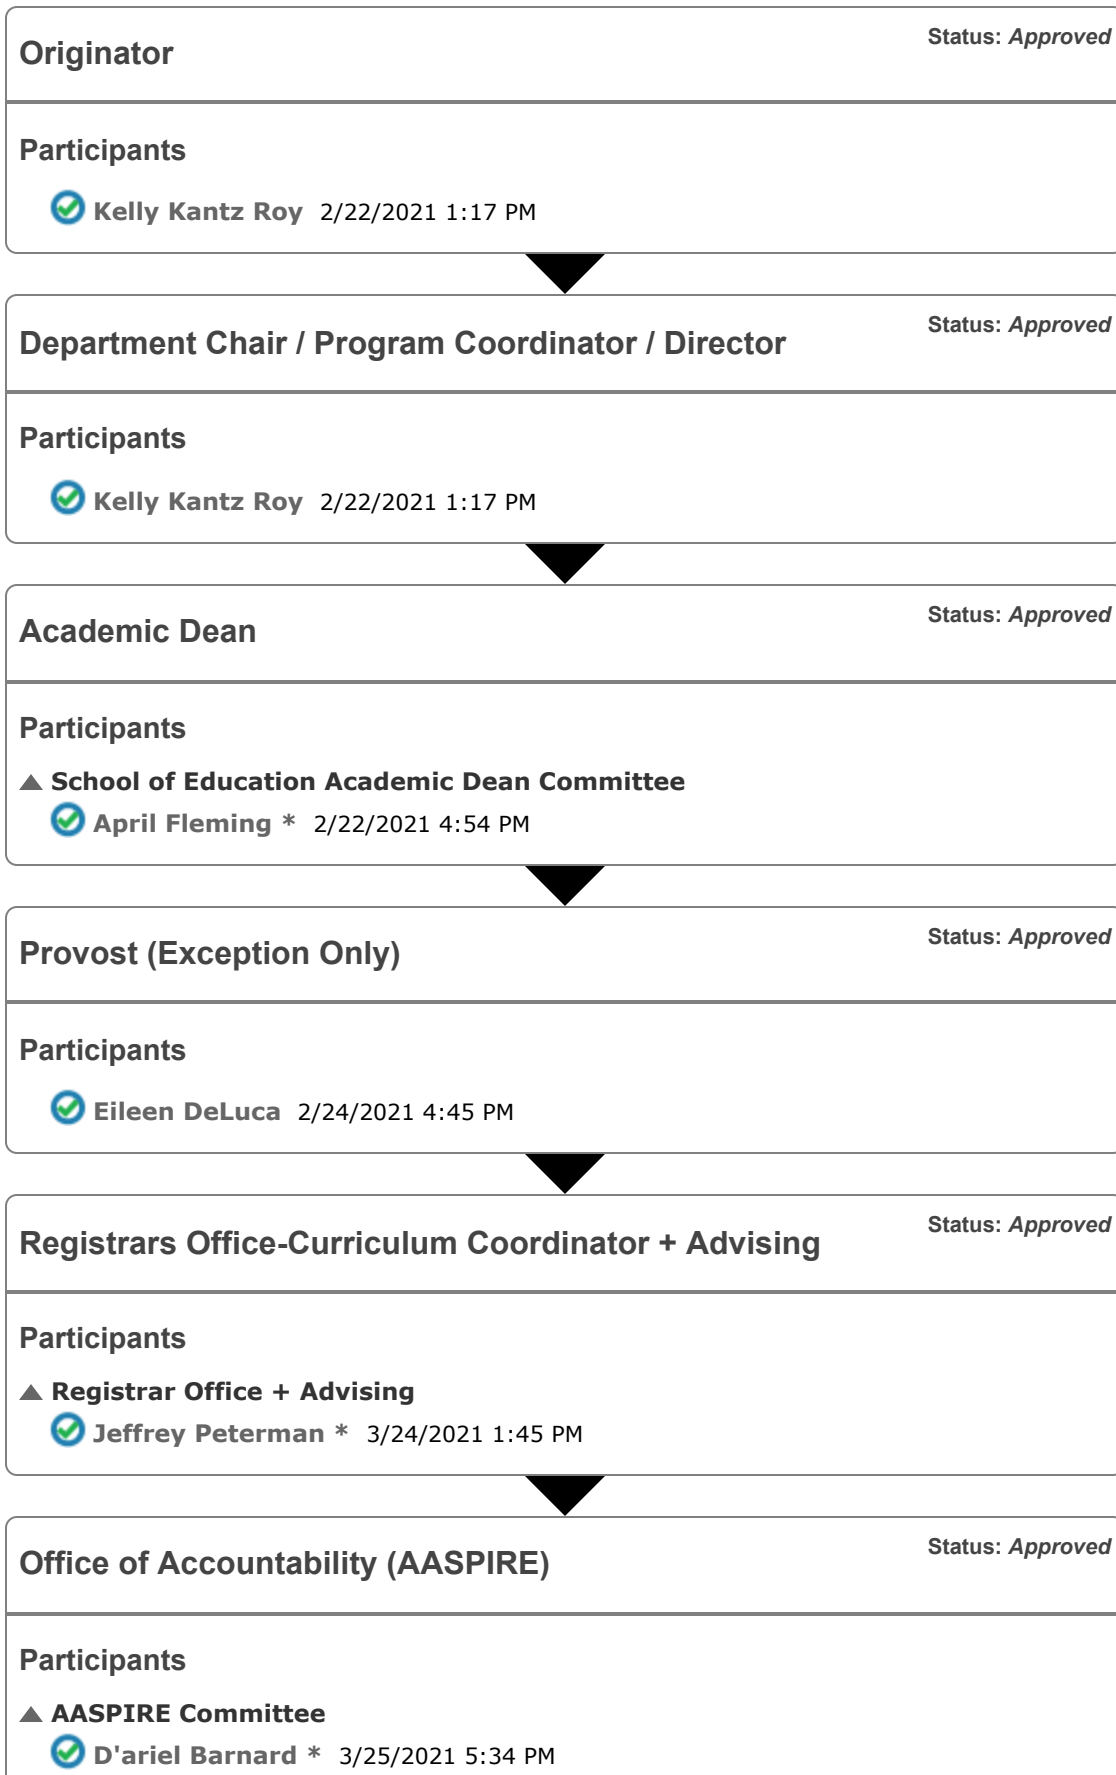

(c) ensures breadth of knowledge. These credit hours include at least one course from each of the following areas: humanities/fine arts, social/ behavioral sciences, and natural science/mathematics. These courses do not narrowly focus on those skills, techniques, and procedures specific to a particular occupation or profession. (*General education requirements*) [CR]

The State of Florida (6A-10.024 (6) (b)):

Completion of a minimum of fifteen (15) semester hours in the general education subject areas of communication, mathematics, social sciences, humanities, and natural sciences. English and mathematics courses must meet the requirements adopted by the State Board of Education in Rule 6A-10.030

We have been in compliance with an interpretation of the Florida statute. We need to come into compliance with SACS.
