Exception term = Fall 2021. This is an exception to the Curriculum Calendar.

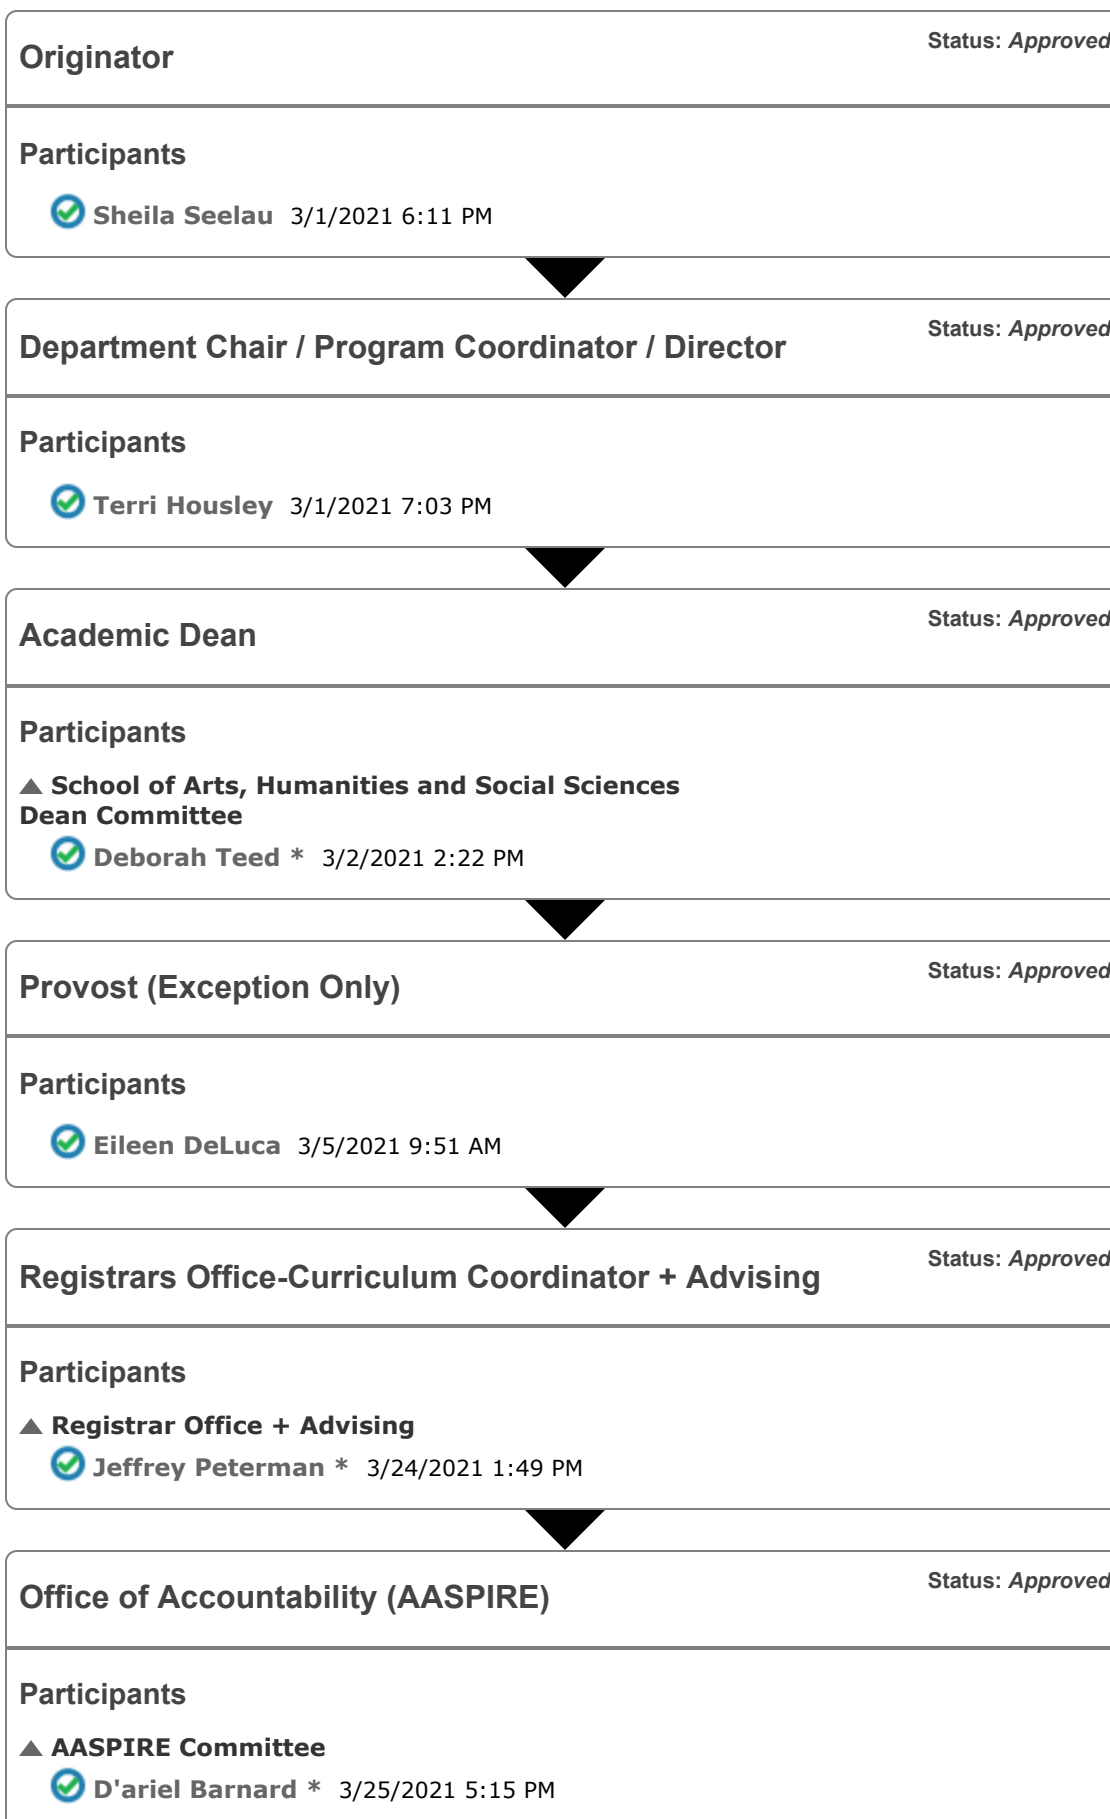

This course has not been taught since Spring 2015.

2/10/2017 Social Science department meeting minutes reflect Psychology faculty's desire to either overhaul or discontinue the course. We incorrectly believed that the course had been discontinued in Spring 2017.

We request that this course be removed from the Catalog, effective immediately (2021-2022) as it has not been an active part of the Psychology curriculum for several years.

Note: The course should be listed on the 5-year deletion report due in September 2021 but acting now will save the trouble of deleting the course after the Catalog has been published.
